

## Annual Wellness Plan

### Canine-2005

Our Annual Wellness Plan is designed to provide all normal yearly vaccinations and preventative health care at the best possible value for your pet. We have also reduced the cost of your pets yearly health care by providing two free office visits to be used any time during the year for your AWP pet!

#### Services Included

Vaccinations:

DHLPPv (distemper/parvo combination)

Rabies

Bordatella (kennel cough)

Lymes

Corona

#### Health tests

Complete physical examination

Fecal test for intestinal parasites

Heartworm test

Based on 2005 fees, the services included in the Annual Wellness Plan would cost \$250.00 if purchased seperately.

**Annual Wellness Plan saves you \$65.00**

Plus no future increases in the cost of your pets vaccinations!

#### Special Savings

As as part of the Annual Wellness Plan, your pet is entitled to two free office visits any time during the current plan year. In 2005 these office visits would cost you \$82.00.

#### Same Fee Guarantee

We promise not to increase the Annual Wellness Plan yearly fee or reduce the services and discounts for the life of your pet. New pets who begin the Annual Wellness Plan in the future will be entered according to the current plan offered at that time.

**2005 Annual Wellness Plan fee = \$185..00 (\$20 discount for Puppy Package Patients)**
