

## Annual Wellness Plan

Feline- 2005

Our Annual Wellness Plan is designed to provide all normal yearly vaccinations and preventative health care at the best possible value for your pet. We have also reduced the cost of your pets yearly health care by providing two free office visits to be used by your AWP pet any time during the year!

### Services Included

Vaccinations:

FVRCP (viral rhinotracheitis, calicivirus, panleukopenia)

Rabies

FeLV (feline leukemia)

FIP (feline infectious peritonitis)

### Health tests

Complete physical examination

Fecal test for intestinal parasites

Based on 2005 fees, the services included in the Annual Wellness Plan would cost \$217.70 if purchased separately.

**Annual Wellness Plan saves you \$85.00**

Plus no future increases in the cost of your pets vaccinations!

### Special Savings

As a part of the Annual Wellness Plan, your pet is entitled to two free office visits any time during the current plan year. In 2002 these services would normally cost you \$82.00.

### Same Fee Guarantee

We promise not to increase the Annual Wellness Plan yearly fee or reduce the services and discounts for the life of your pet. New pets who begin the Annual Wellness Plan in the future will be entered according to the current plan offered at that time.

**2002 Annual Wellness Plan fee = \$132.00 (\$20 discount for Kitten Package Patients)**
